

3rd November 2021

Dear Parent/Guardian,

With the rise nationally in Covid-19 cases, this is just a brief note to remind you all to remain vigilant if your child has any of the common symptoms and to keep them at home in this case. The advice regarding less common symptoms (sore throats, headaches, feeling sick, or vomiting) is to keep your child at home for 48 hours but siblings can still attend school.

All pupils have again been reminded today to maintain and keep up their good hygiene & sanitizing procedures, especially in the morning as they enter school, before eating, and after break times. As doors & windows are being kept open, it is important that children have warm clothing and a coat in school every day.

For more information on our school procedures, click on our website at: <http://www.clonmoneyns.com/covid-19-procedures.html>

On behalf of the staff & Board of Management, I want to again thank you all for your cooperation & help in keeping our school safe.

Le gach dea-ghuí,

David
